How do we get fro the hotel to the event site?

We offer shuttle service from the hotel to the event site and back on the day of the race. It is also possible to take the bus to get into the city (1,60€ for a single ride), it takes around 10mins and stops right in front of the hotel. Of course, you can also take a taxi, but it’s rather expensive.
**Do you offer any other transport?**

Unfortunately, we cannot offer transfer from Leipzig/Halle Airport or Leipzig Central Station to Naumburg this year. However, it is not very difficult to get from both places to Naumburg by train. We will do our best to meet you at Naumburg Central Station and take you to the hotel. We will also help you to organise your journey in order for you to arrive everywhere on time.

**When do we have to be in Naumburg?**

We have booked the hotel rooms from Friday (April 12th) to Sunday (April 14th) and recommend you to arrive on Friday as well.

We strongly advise you to come to our office in the school "Alexander-von-Humbold-Schule" (same as in the last years) at Theaterplatz 3, 06618 Naumburg, **on Friday, April 12th, between 5.00 and 8.00 p.m. in order to get your numbers** (time tracker included in the number). This is when you will **pay** for accommodation (if no other agreements have been made between you and Sophie) and the starting fee (see above).

**Is there anything we should know concerning the registration?**

Yes! The **last day to register is April 6, 2019**. This year’s registration is not happening with Susi, but with Sophie instead. For the registration, please send the following information via mail to **sboerner@fg4.de** (Sophie’s mail address):

As soon as you know when you will arrive in Naumburg, please let me know so that we can organise transport and accommodation!

**Do the winners get pricing money?**

Of course our winners will receive pricing money for a top 3 result in the 20km. For the first place it’s 600€, the second place gets 400€ and the third place gets 250€. Unfortunately, we are legally required to subtract a specific amount of tax which will be done at the payout.

**Who can we talk to if we have more questions?**

Your contact person is **Sophie Börner**. You can write her an e-mail to: **sboerner@fg4.de**

**Lots of love from Naumburg, we are looking forward to seeing as many of you as possible at our Race Walking event in April!**
